Gender Inequality and the Transgender Community

with **JESSICA LYNN**,
Speaker and Advocate

Jessica Lynn is a woman on a mission. She has dedicated her life to educating the world about the lives and experiences, of Trans-identified people. She lectures through an unfiltered lens; shining a light on the unbelievable suffering and loss experienced in the trans community.

Jessica's lectures cover her transition, sex change, and assorted issues both legal and ethical involving gender identity, seen through her perspective as an intersectional advocate.
